2 PIECE BASEBOARDS

13/16" X 4"

A cross-section diagram of a baseboard with a top edge that is mostly flat but has a small step down on the right side. The bottom edge has a standard tongue-and-groove profile.

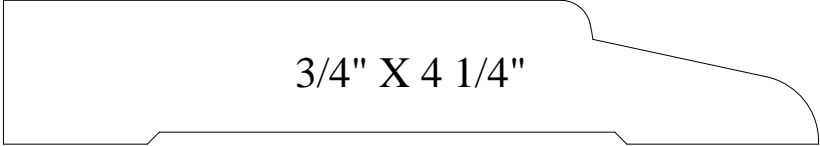

RHW R265

3/4" X 4 1/8"

A cross-section diagram of a baseboard with a top edge that has a rounded, quarter-circle profile on the right side. The bottom edge has a standard tongue-and-groove profile.

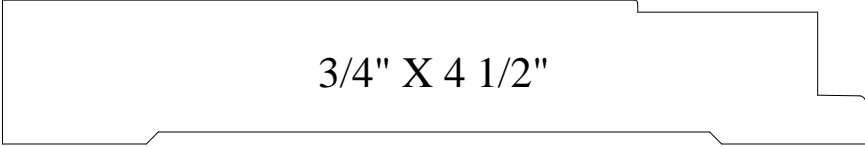

RHW R270

3/4" X 4 1/4"

A cross-section diagram of a baseboard with a top edge that has a rounded, quarter-circle profile on the right side. The bottom edge has a standard tongue-and-groove profile.

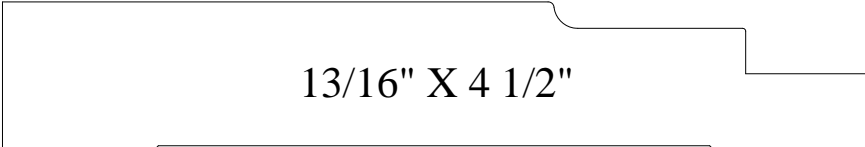

RHW R280

3/4" X 4 1/2"

A cross-section diagram of a baseboard with a top edge that has a stepped profile on the right side. The bottom edge has a standard tongue-and-groove profile.

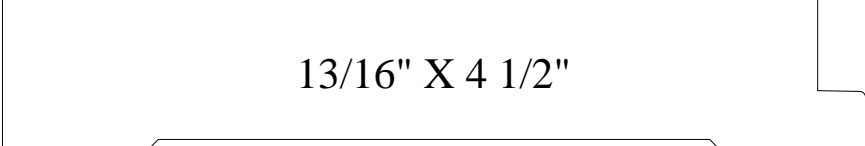

RHW R288

13/16" X 4 1/2"

A cross-section diagram of a baseboard with a top edge that has a stepped profile on the right side. The bottom edge has a standard tongue-and-groove profile.

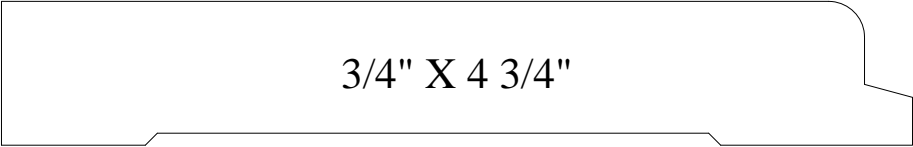

RHW R290

13/16" X 4 1/2"

A cross-section diagram of a baseboard with a top edge that has a stepped profile on the right side. The bottom edge has a standard tongue-and-groove profile.

RHW R291

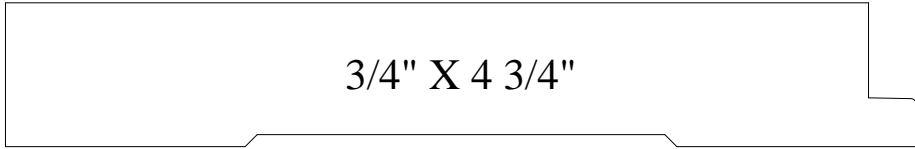

3/4" X 4 3/4"

A cross-section diagram of a baseboard with a top edge that has a rounded, quarter-circle profile on the right side. The bottom edge has a standard tongue-and-groove profile.

RHW R300

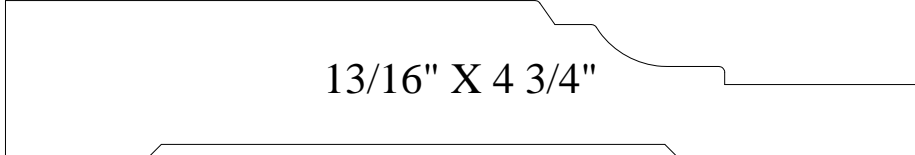

2 PIECE BASEBOARDS

3/4" X 4 3/4"

This diagram shows a cross-section of a baseboard with a 3/4" thickness and a 4 3/4" height. It features a decorative top edge with a small notch and a simple bottom profile.

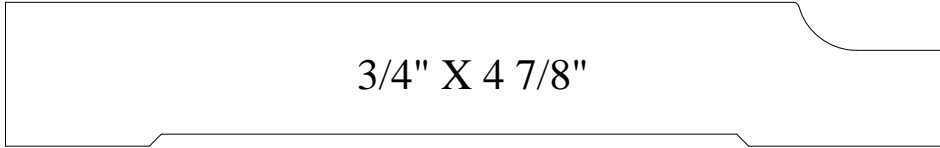

RHW R301

13/16" X 4 3/4"

This diagram shows a cross-section of a baseboard with a 13/16" thickness and a 4 3/4" height. It has a decorative top edge with a small notch and a bottom profile with a slight curve.

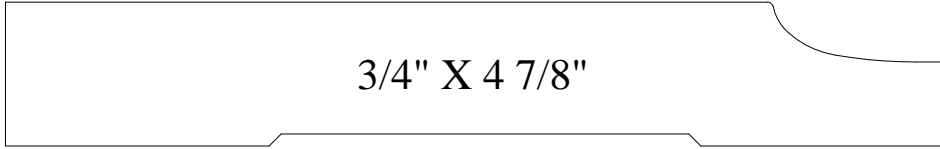

RHW R310

3/4" X 4 7/8"

This diagram shows a cross-section of a baseboard with a 3/4" thickness and a 4 7/8" height. It features a decorative top edge with a small notch and a bottom profile with a slight curve.

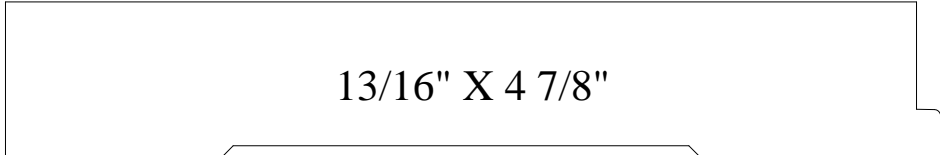

RHW R320

3/4" X 4 7/8"

This diagram shows a cross-section of a baseboard with a 3/4" thickness and a 4 7/8" height. It features a decorative top edge with a small notch and a bottom profile with a slight curve.

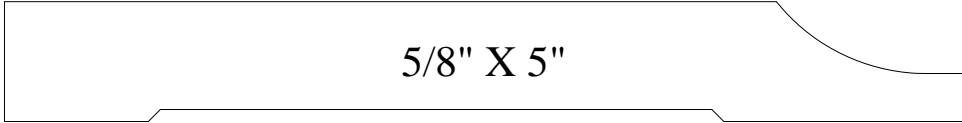

RHW R321

13/16" X 4 7/8"

This diagram shows a cross-section of a baseboard with a 13/16" thickness and a 4 7/8" height. It has a decorative top edge with a small notch and a simple bottom profile.

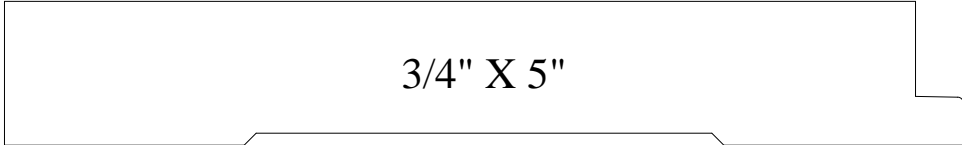

RHW R326

5/8" X 5"

This diagram shows a cross-section of a baseboard with a 5/8" thickness and a 5" height. It features a decorative top edge with a small notch and a bottom profile with a slight curve.

RHW R330

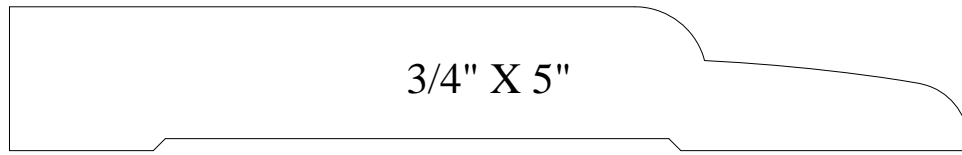

3/4" X 5"

This diagram shows a cross-section of a baseboard with a 3/4" thickness and a 5" height. It features a decorative top edge with a small notch and a simple bottom profile.
